

Campus Co-Evolve Newsletter

January 2022

## INTRODUCTION

Wishing everyone a very happy New Year and warmest wishes for your highest developmental aspirations in the coming months!! We are sending this email out as promptly as possible, as we have elaborated and refined the events calendar from our last email just before Christmas. Of particular and most urgent interest to you might be this Saturday 15 January in George Pór's novel and experimental exploration of Enlivening Flows as part of Hacky New Year (Details below).

## CALENDAR

### December 30 2021

George Pór gave a presentation on **Emancipatory Technologies and the Planetary Shift**. That event has passed but you can [read](#) its introduction and [watch](#) its recording.

### January 15 2022

[Enlivening Value Flows](#) collaborate with George in exploration as part of [Hacky New Year](#) #MakeTechDoGood. Read his [Call for Collaboration](#) if you want to participate, register your interest, ASAP by filling out [this form](#).
